My Projects & Achievements

A record of what I create, practise, and accomplish.

Featured Projects

Project 1: My First Web Page

Screenshot of my first web page
My first attempt at building a web page with HTML.

This project helped me understand how HTML structures headings, paragraphs, links, and images.

What I learned

- Creating a basic HTML document
- Using headings and paragraphs
- Adding links and images

Project 2: MY Skills and Education

Skills and Education
Shows my skills and level of proficiency.

i practiced creating tables, details, and other HTML elements.

website sections

1. Personal Information
    - Home
    - About Me
    - Contact Me
2. Work
    - Skills & Education
    - Projects & Achievements
    - Media & Interests

Achievements

- **Learning achievement:** Created my first HTML page.
- **Academic achievement:** Add a real achievement here.
- **Personal achievement:** Add something you are proud of.
